BUTTERFLY OBSERVATIONS

Great Smoky Mountains National Park staff are interested in your observations of unusual butterflies in the park. Information that is of assistance to the park staff includes:

- date and time
- exact location
- elevation
- weather and temperature
- number of individuals
- your familiarity with the species

Send observations of butterflies to:

Research Coordinator
Great Smoky Mountains National Park
Twin Creeks Science and Education Center
1316 Cherokee Orchard Road
Gatlinburg, TN 37738

Produced by Great Smoky Mountains Association in cooperation with Great Smoky Mountains National Park. This checklist is available online as a PDF at SmokiesInformation.org.
